# InsureShield® Shipping Insurance

by UPS Capital Insurance Agency, Inc.

CHECKOUT CART INSTALL INSTRUCTIONS
## FOR SHOPIFY® USERS

Instructions for the following theme: **Focal**

1. Navigate to your *Online Store* and click on your *Themes* page

2. On your live theme click the **three dots** next to the Customize button

3. Click *Edit Code*

4. Navigate to the **search bar** on the left-hand side of your screen and copy and paste **main-cart.liquid** into the search bar and find file under the *Sections* folder and click on it to pull up the coding page

5. Use the find feature by clicking anywhere inside the code box and pressing both **Control and F** on your keyboard and search for **cart__checkout button** in order to highlight the line of code

6. Create a new line above the "cart__checkout-button" row by clicking in front of the <*div* code and clicking **enter** & copy and paste the div code **<div class="insure-shield-div"></div>** into the new line

7. Click **Save** on the top right and then *Exit code* on the top left of the screen

Instructions for the following theme: **Focal**

---

8. Navigate to the **search bar** on the left-hand side of your screen and copy and paste **mini-cart.liquid** into the search bar and find file under the *Sections* folder and click on it to pull up the coding page

9. Use the find feature by clicking anywhere inside the code box and pressing both **Control and F** on your keyboard and search for **button form="mini-cart-form"** in order to highlight the line of code

10. Create a new line above the "button form="mini-cart-form"" row by clicking in front of the <div code and clicking enter & copy and paste the div code **<div class="insure-shield-div"></div>** into the new line

11. Click **Save** on the top right and then *Exit* code on the top left of the screen

12. Navigate to the *Apps Page* & click the *InsureShield® App*

13. On the yellow modal in the middle of your My Account Page, click the *checkbox* & click *Submit*

14. After you have pressed submit, you will receive a message stating whether the code has been properly installed.
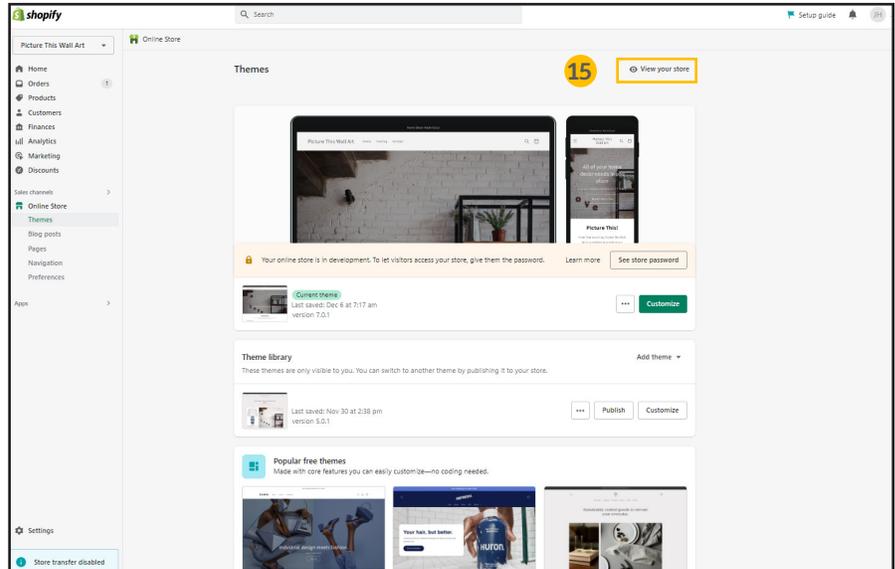

Checkout cart install Instructions for Shopify users, continued

Instructions for the following theme: **Focal**
